YUNIO

The **Yunio X20** is ideal for coffee lovers at home, as well as for small offices and retail spaces. This compact coffee machine is designed to minimize the noise of coffee grinding, ensuring a quieter experience.

The Yunio X20 can prepare up to 15 different coffee specialties. Thanks to its ability to brew two coffees simultaneously, you can quickly enjoy your coffee together.

To enhance ease of use, the machine is equipped with a large touchscreen, allowing you to personalize each coffee according to your preferences—or those of your customers.
